Description of Company	<p>Christiana Care Health System, headquartered in Wilmington, Delaware, is a not-for-profit major teaching hospital and one of the country's largest health care providers, ranking 17th in the nation for hospital admissions. Recognized as a regional center for excellence in cardiology, cancer and women's health services, Christiana Care has two campuses, Wilmington and Newark, and operates more than 1,100 patient beds. Christiana Hospital, a 913-bed, 1.3-million-square-foot, modern facility in Newark, includes the only Level I trauma center on the East Coast corridor between Baltimore and Philadelphia. Christiana Hospital also has the distinction of being the only delivering hospital in Delaware with a Level 3 neonatal intensive-care unit. Christiana Care received Magnet designation in 2010. The Helen F. Graham Cancer Center serves a majority of the cancer patients residing in Delaware and was recently selected to receive a \$2.8 million grant from the NCI to expand its community outreach programs. The Center for Heart & Vascular Health is the only center in the region that integrates cardiac surgery, vascular surgery, vascular interventional radiology, cardiology and interventional nephrology in one location. Christiana Care's cardiovascular surgeons perform more than 650 open-heart procedures each year treating more than 8,000 total heart and vascular cases annually.</p>
Description of job (Please limit to a maximum of 8 lines)	<p>Oversee operations of Perioperative Services at the Christiana Campus. Responsible for efficient, effective, and safe care with focus on quality, outcomes, and patient and medical staff satisfaction. Manage fiscal and budgetary demands by addressing staffing, workforce planning, procedure location, patient flow, and patient access. Oversight of 26 suite OR, 40-bed PACU/Prep, 36 room SPU, and 7 OR suite Surgery Center with 13 procedure rooms. Report to the Vice President, Perioperative Services and work with three direct reports with oversight responsibility for 315 FTEs.</p>
